# EC CERTIFICATE

„EC Design-Examination – Module B1”

№: 1853-PED-10070

Name and address of the manufacturer:	NES Ltd 12 Madara Blvd. 9700 Shumen, Bulgaria
Description of the equipment:	Heating Boiler for Solid Fuels Type: BURNIT WB-S (20kW, 25kW, 30kW)
Maximum allowable working pressure Ps (bar):	2,5
Maximum allowable working temperature:	90
Category of the equipment:	Art. 3, Par.3
Test Report No:	1853-10102

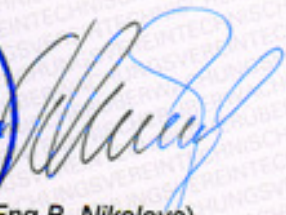

*With this certificate „TÜV Rheinland Bulgaria” Ltd. certifies that after successfully conducted procedure „EC Design-Examination - Module B1”, the design of the pressure equipment “Heating Boiler for Solid Fuels Type: BURNIT WB-S (20kW, 25kW, 30kW)” conforms with the essential requirements referred to in 2.10, 2.11, 3.4, 5(a) and 5(d) of Annex I of PED 97/23EC.*

*Validity conditions: Any changes of the design would make this certificate invalid until they are checked and approved.*
